Addendum

Subject: Admission in M.Tech-IT (Cyber Security) - Research Track

University is offering opportunity to the 04 no of students to opt for M.Tech-IT (Cyber Security) - Research Track. The course contents of the Programme will remain the same **except** that students opting for Research Track will compulsorily choose Research Track in the second year and pursue their research work in the area of Cyber Forensics. The students are expected to publish at least one high-quality journal publication or patent while pursuing the course.

Financial Support to the students opting for M.Tech-IT (Cyber Security) - Research Track

- Rs. 12400/month per candidate for two years funded through ISEA Project Grant.
- Funding support for paper publications/presentation in top-tier Journals/Conferences.

Eligibility Criteria

- Same as per the program of M.Tech-IT(Cyber Security)
- In addition, candidate should submit SOP (upto 500 words) regarding research interest in the area of Cyber Forensics.

Selection Process

The candidates giving option for the M.Tech-IT (Cyber Security)- Research Track will be shortlisted by ISEA Project Committee based on:

- i). Rank announced by the M.Tech. Admission Committee. Preference will be given to the students having valid GATE Score. For Non-GATE candidates, the selection will be based on percentage of Marks in the Qualifying Degree
- ii). Evaluation of Statement of Purpose (upto 500 words)
- iii). Optional short interview (online/offline)

In the event of any dispute, disagreement or ambiguity arising, the decision of the Hon'ble Vice-Chancellor, IGDTUW shall be final, conclusive and binding on all concerned parties and shall not be subject to any further appeal.
